GREEN TEAM EVENT AT THE GLENRIDGE

The Glenridge Green Team invites you to a two-part event focusing on sea turtles. Maureen Snyder, a beloved Green Team speakers' alumna, will discuss her work as a member of the Mote Marine Sea Turtle Patrol and how these creatures have been affected by red tide. Mrs. Snyder's discussion will be followed by a showing of "The Making of Turtle Ocean", a short video that documents the creation of an amazingly realistic sculpture of undersea life featuring a hawksbill turtle. This piece was made by Angela Haseltine Pozze from plastic trash recovered from the ocean. It was exhibited at the Smithsonian Museum of Natural History.

This free event will take place on **Monday, March 11th at 10:30 AM** in the theater at the Glenridge on Palmer Ranch, 7333 Scotland Way. The public is welcome! Please contact Susan Button at susanvinalbutton@gmail.com with any questions about this event.

Palmer Ranch Master Association – Mission Statement

'Our mission is to enhance and maintain the aesthetic quality of Palmer Ranch and to preserve the overall unique identity and sense of community.'

CALLING ALL VOLUNTEERS!!

To help Palmer Ranch Master Association get our Butterfly/Pollinator/
Wildlife Garden Planted!!

Volunteers needed for SATURDAY March 23rd:

Starting at 8:00 a.m. FOR Planting and mulching

If you showed support for having the Garden, then please come out and help us get over 300 plants/shrubs and small trees in the ground. The area is somewhat uneven so please wear appropriate footwear, long pants, sun protection and, of course bring water for drinking. Because there are no bathroom or water facilities in the area, we're asking that you plan accordingly. We will be on site until the last plant is put in the ground. Please email sue@palmerranch.net, or call 941-922-3866 if you have any questions.

Exercise That Challenges the **Whole Person**

Designed to exercise the mind, body and spirit, our Brookdale Fitness B-Fit program is designed to maximize functional abilities using components of Tai chi's brain-challenging movements and meditative relaxation. We customize classes to accommodate the needs of each resident's abilities.
